DRAFT BOARD

Robert Short To Resign Post

Daly City-South San Francisco draft board members today expressed their regret over the impending resignation of Robert T. Short, clerk.

Short has been in charge of the draft offices at the city hall since they opened here several weeks ago. He will leave his job the first of the year to take over the position of water clerk in San Bruno.

"We shall be very sorry to lose Mr. Short," Dr. J. C. McGovern, chairman of the board, said today. "He did a wonderful job here. We have asked Mrs. Isabelle Flynn, his assistant, to take over the office at the first of the year. We feel sure that she, too, will be able to carry on with competence and speed."

Appoint Two Daly City Doctors To Aid In Draft

Dr. William C. Lynch and Dr. Ivan T. Budaeff, well-known Daly City doctors, have been appointed to serve as official physicians with the local draft board, Dr. J. C. McGovern, chairman, announced today.

Dr. Lynch and Dr. Budaeff will work with Dr. Edwin I. Bartlett of South San Francisco in the task of giving thorough physical examinations to several hundred candidates for army training from this district during the next year.

The additional medical assistance is expected to speed up the work of classifying draftees. Dr. Lynch and Dr. Budaeff will begin their volunteer service immediately, McGovern said.

Jeff Lee Receives 25-Year Service Badge

Lee is the fifth member of Company No. 4 who has received this badge and who is still on the active service list.

Captain A. Sundstrom presented Lee with a small present which the members had prepared as a surprise for him.

The social committee served a special bill of fare, with a large cake properly decorated for the occasion.

Dec. 26 Deadline For All Aliens

Six months imprisonment or a \$1000 fine, or both, will be the penalty imposed by the Federal government upon all aliens who fail to register by December 26.

Only one more week remains in which foreign-born residents not yet citizens may go to the Daly City post-office and secure their registration blanks. Appointments will be made at once for fingerprinting at 1580 Howard street in San Francisco.

The alien registration act requires that all aliens, 14 years of age or older, must register in person and all alien children under 14 must be registered by their parents or guardians.

There is no charge of any kind. All information will be kept confidential.

Within the last week applications have taken a sudden jump, local authorities report. An average of about ten blanks a day are being issued here.

Pageant Proceeds Will Go To Red Cross

Sigfred Hansen, director of the Christmas Pageant to be presented at Jefferson Union high school this evening, today issued a final invitation for everyone to attend.

"Admission prices are nominal and all proceeds will go to the Red Cross," he explained.

A cast of 22, assisted by the high school chorus, will present the age-old Christmas story in a series of impressive scenes. Instructors Oscar Busch and Durant Moseley, respectively in charge of music and stage settings, have contributed much to the success of the production, as have other faculty members and student committeemen.

No children unaccompanied by parents will be admitted.

Local Schools Close For Two Week Period

On the Christmas list of every youngster in town is a two weeks' vacation from classes. After Friday all local schools will close for the holidays.

Authorities at grammar schools of the Jefferson district, Jefferson Union high school and Our Lady of Perpetual Help parochial school today announced that studies would not be resumed until January 6.

At the high school the swimming pool will be closed, Monday, for the rest of the winter season. It will reopen March 1, after a thorough cleaning. The gymnasium, which will not be open to the public after Friday, will be renovated during the two weeks' shutdown.

County News

Beautification Project—

Junipero Serra highway district engineers last week were authorized by the directors of Highway District No. 10 to draft a \$40,000 WPA project for beautification of the highway between Lawndale and Sneath lane, San Bruno.

Under the plan the state and district, which includes San Mateo and San Francisco counties, would split the cost of materials and the WPA would supply labor.

Home Defense—

Plans for the formation of a home defense unit to serve San Mateo, Hillsborough and Burlingame were discussed Friday night at the San Mateo city hall before a large turnout of citizens representing labor, fraternal, service and veterans' organizations.

A committee of 18 was appointed to draft a unified set-up for the three cities.

Large Crowd Attends Scout Court of Honor

With Jefferson Union high school auditorium packed to capacity, Friday evening's District Boy Scout Court of Honor was pronounced one of the most successful Scout events ever staged here.

High School Principal James Ferguson acted as chairman of the evening, while Scout Commissioner A. J. Bodien expressed his thanks to the large crowd of parents and friends who were present.

Awards were made by Chairman of Advancement Committee Gabelle, Educational Director Lloyd Sterns, Field Executive Dean Fields, and Explorer Trail Commissioner Bill Bond from San Francisco. Assisting were local Scout and civic leaders.

The benediction was offered by Father Charles S. Gienger and taps played by Tom Beeson. Jimmy Lynch played an accordion solo, while various handicraft ex-

CHRISTMAS

Annual Party For Kiddies Monday

Daly City's third annual Children's Christmas Party will begin promptly at 1 p. m. Monday at the Daly City theatre.

"The Prince and the Pauper," Mark Twain's famous story of how a little boy prince and a little boy waif once changed places, will be the film shown without charge to all local youngsters.

Other features of the gay holiday party will include free candy and oranges for every child, and feature numbers by Miss Marie Bell's dancing group from General Pershing and Crocker schools.

Sponsored by the local Recreation committee and conducted by the WPA Recreation department, the Christmas party is dependent upon the support of local clubs and merchants.

"Donations are still badly needed," officials said today. "Every contribution, no matter how small, will be appreciated."

All funds should be left at the city hall with A. J. Bodien, co-sponsor's agent for the Recreation department. In order that the annual Christmas treat for the kiddies may be continued in the future, everyone who is able is urged to help support the cause.

EAGLES BOWLING

LOCAL AERIE TAKES TUMBLE

After winning three games in the Eagles Peninsula bowling league on the opening night, the A team of Colma Vista Grande Aerie No. 1848 took a tumble Monday night.

The local boys lost three games to Golden Gate A team, the last one by only four pins, on the San Francisco bowling alleys.

Meanwhile, Colma B was bowled over three games last Tuesday evening in Redwood City by the Redwood team. A 152 pin handicap proved insufficient to put the B bowlers back on their feet.

Monday evening the Colma A team will meet the stiff competition of the Redwood City team in Redwood City. The Colma B team will be bowling against the Golden Gate B team in San Francisco.

Present league standings are as follows:

	W	L
Golden Gate A	9	0
Redwood City	8	1
Golden Gate B	5	4
Colma A	3	3
South San Francisco	1	5

SANTA ON ICE

Unusual Party At Winterland

One of the city's most unusual Christmas parties will be held on the frozen surface of Winterland, the big ice rink at Post and Steiner streets, Monday night, December 23.

The gaiety of the affair will be heightened by a wide variety of costumes to be worn by those attending. There will be a bagful of prizes for the best costumes, it was announced.

"The Christmas party will be open to the public and we promise everyone will have fun," said George J. Campbell, manager of Winterland. "Come early and enjoy yourselves."

Holiday happiness will be heightened for many San Franciscans throughout the Christmas-New Year season by a series of skating parties. Campbell said that the rink will be open to the public as usual, on Christmas Eve, Christmas Day, New Year's Eve and New Year's Day.

A special Christmas party has been scheduled for tomorrow night (Thursday, December 19) from 5:30 to 7:30 p. m. by the Skate and Ski club. Members of the organization will take part in a candlelight procession on ice skates and will present several acts from the spectacular production, "Cinderella of the Silver Skates." Exhibitions by champion skaters are also on the program.

hibits around the walls proved a major attraction. Scout leaders from San Francisco characterized the Court of Honor as one of the best they had ever attended and were particularly pleased with the orderly fashion in which the boys conducted the affair.

Too Much Is Enough

Just as the pen is mightier than the sword, so is the tongue mightier than the fist. Mrs. Violet E. Richter took it in silence and with patience when her husband flew into a rage at being asked to move the furniture, knocked her down and threatened her with a gun. But when he familiarly referred to her as "the old woman" it was too much. She sued for divorce in a Lancaster, Pa., court and got it.

Daly City's municipal band will play at the big East-West game, New Year's Day. Personnel of the band includes: conductor, George E. Brenner; drum major, Tipton Banks; drum majorette, Bobbie Bruce; clarinets, Joe Nelson, Emilio Petrochi, Eugene Buff, Bob Wolsey, Vincent Salandra, Teddy Cordina, Leido Galli, Bill Nelson, Sam Van Liew and Henry Sundermann. Trumpets: William Gracia, Willard Mitchell, Henry Molini, Barry Kendall, Charles Petrochi, Thomas Beeson sr., Thomas Beeson jr., Robert Seiler; saxophones: Charles Williamson, Homer Friend; trombones: Baltista Pietrilli, Albert Dias, Raymond Kirner, Albert Bernal, A. Peroni, Henry Prziborowski. Bases: Raymond Fountain, Frank Wilson and Carlo Massucco; baritones, Harry Wendell, Vernon Olsen, T. Mather; French horns, W. Hurlburt and Bill Leonard; drums, Virgil Mills, Joe Powers, John Proctor and Andre Ceriscier. All but six of the members are shown in the above picture.

Alien Registration Deadline Approaches

December 26 is the deadline for an estimated 3,500,000 aliens residing in the United States to register with the government. Aliens failing to register by that date are subject to arrest. The picture above shows aliens in the various steps of registering as they beat the approaching deadline. Do Not Open Until 2039

For opening 100 years hence, a package of tea has been put away in a safe place by the Empire Tea Market expansion bureau of London celebrating the centenary of the first tea produced in the British empire. The parchment-wrapped leaves were enclosed in aluminum foil to prevent oxidation and loss of taste, and the whole package placed in a lead case.

Honest Englishman

It's better late than never, reasoned Jesse Wallace, as he walked into a London, England, police station and handed a pair of old-fashioned gold-rimmed spectacles to the desk sergeant. "I found them when I was down here on my honeymoon 25 years ago," he explained, "and the matter slipped my mind until I got home. I decided to turn them over to police on my next visit to London, and this is it."

Light Ray Messages

Messages by light rays were described as an almost interception-proof means of communication during warfare by Dr. Phillips Thomas, research engineer of an Indianapolis electric company. The method would be especially effective in communication between the ground and planes in the air, he pointed out, asserting a message could be intercepted only by cutting into the beam directed at the plane. Other electrical developments demonstrated were a "sterilamp" which he explained would destroy all germs in a given confined area, such as a hospital operating room, and a "black light" which produces various colors.

Washington's Farewell Address

Washington's "Farewell Address" was written primarily to eliminate himself as a candidate for a third term. It was never read by the President in public, but printed in Claypoole's American Daily Advertiser, Philadelphia, September 19, 1796. The address is in two parts. In the first Washington definitely declines a third term, gives reasons, and acknowledges a debt of gratitude for the honors conferred upon him and for the confident support of the people. In the second, more important part, he presents, as a result of his experience and as a last legacy of advice, thoughts upon the government.

BASKETBALL

Perpetual Help Group Wins 30-18

Perpetual Help Catholic youth organization's basketball team started its season with a 30-18 win over the Crocker alumni in a practice game at Jefferson Union high school, Saturday.

The squad showed surprising form and should be in fine condition when league play starts in January. Captain John Rerecich led the winners with 22 points. Other scorers were Joe Collins with 3 points; Tim Chreisten and Billy Core, 2 points apiece, and Wally Coughlin with 1. Ralph Capps led the losers with 9 points.

The squad roster is as follows: John Rerecich, Tim Chreisten, Edward Denning, Wally Coughlin, Billy Core, Joe Collins, Bob Lane, Joe Powers. The team is coached by Johnny Fitzgerald and is under the guidance of Father Charles S. Gienger.

Universal Press Moves Into Second

Moving up into second place again in the league, Universal Press rolled three games with Milo's Butchers last Tuesday night in the Burlingame bowl, taking two games. Totals were Universal Press, 2335; Milo's, 2342.

Complete standings in the 9:30 division of the Merchants league are as follows:

Munich, the capital of Bavaria, is said to be the only large city in the world which annually has more visitors than inhabitants. It has been host to tourists for a thousand years and its present population of 800,000 has long learned how to entertain a million tourists a year.

The Melbourne, Australia, government is convinced that traffic and driving instructions offered in a humorous vein are more effective than the usual type. With every driving license now granted is provided a book entitled "Many Happy Returns," containing instructions like the following: "It isn't your fault if all the other road users are completely daft, but it is your fault if you aren't prepared for them to be so."

Tractor Romance

When Father's day rolls around next year a tractor on the farm of J. M. Templeton, near Colorado City, Texas, should not be forgotten. In fact, the tractor was almost a mother. A wren built her nest beneath the seat. Heat from the motor kept the eggs warm all day while the wren waited in a tree and took over the job at night. After the eggs were hatched the tractor was brought in at noon daily so the mother could feed her chirping offspring until the family was strong enough to fly away.

Faithful Parrot

Blackie, a whistling parrot that helps Dominick Palugi in his fortune-telling business by selecting the fateful cards for customers, had the exhilarating experience of occupying the same cage with his owner in New York. Palugi was sentenced to a day in jail for peddling without a license. Blackie went to the cell with him, whistled away the tedious hours by whistling "My Time Is Your Time."

NOVEL DECORATION

For Your Christmas Tree

Imagine having, right in your living room, a Christmas tree looking as though it were covered with freshly-fallen snow — just like the trees in the woods. You can make this Christmas "snow" at home — with Lux! It's ever so easy, if you follow the directions below.

It's a really new idea that's in complete harmony with traditional decorations. If you use ornaments, put the Lux snow on before you trim the tree. Of, if you prefer, use just colored lights and the snow.

Lasts as Long as the Tree

This Lux "snow" lasts as long as the tree. A glistening effect can be given with a sprinkle of the shiny artificial snow you buy in the stores. Put this on while the Lux snow is still moist.

You can use just as much or as little as you like to give your tree an individual, original appearance.

It's an amazingly inexpensive way to decorate your tree, too — especially when you consider what you ordinarily spend for Christmas tree trimmings.

Recipe for Christmas Snow

1 large box of Lux (12½ oz.)
2 scant cups lukewarm water

Empty box of Lux Flakes into dishpan or large bowl. Add lukewarm water and mix up with egg beater to the consistency of whipped cream.

Take handfuls of this mixture and spread with your fingers along the branches of your Christmas tree.

For a more glittering effect, while mixture is still moist, sprinkle tree with shiny artificial snow.

Beginnings of Kindergarten

Maria Montessori, the Italian educator, studied at the University of Rome and graduated in medicine in 1894, being the first woman in Italy to do so. She then took up the subject of educating defective children. From the experience thus acquired, she came to the conclusion that similar methods might be applied to normal children of a lower age, and after a series of experiments on a small scale she extended them to a large number of children in private and public nursery schools in Rome. Her ideas on education have been set forth in several books which have been widely translated.

Technology Overtakes Flies

Claimed as a great improvement over flypaper is an all-metal electric fly trap that electrocutes flies and deposits their remains in a removable tray.

Check Program Popularity

The popularity of radio-programs can now be checked by the advertisers, by means of two new automatic devices which record the stations to which the listeners tune in.

Welcome Soldiers

Darwin, isolated outpost of northern Australia where beer costs 2 shillings (50 cents) a bottle owing to high transport charges, has suffered a beer famine. Gladly the people of Darwin welcomed contingents of the Australian defense forces. Promptly these same troops drank all the beer in the town.

Vegetable Cocktail Bar

Milwaukee, Wis., now has a vegetable cocktail bar that serves only vegetable drinks, declares the American Magazine. The operator is Mrs. Edith Lange, whose specialty is a garlic-parsley cocktail. It contains the juice of green peppers, with three cloves of garlic, and the juice of parsley mixed in.

What an Animal!

The biggest land mammal that ever lived is called a Baluchitherium. Its bones were found by the American Museum of Natural History on one of its expeditions to Mongolia. This prehistoric beast must have been able to browse or leaves more than 25 feet above the ground, according to measurements of its reconstructed skeleton.

Drifters Club Plan Anniversary Meet

Members of the Drifters club will meet as usual during the holidays, it was announced today.

Recently elected officers of the group include Roy Johnson, president; Arnold Lemos, vice-president; George Johnson, secretary; John Caccipaglio, treasurer, and Joe Aiello, sergeant-at-arms.

The club will hold its first anniversary meeting, January 10. The same evening there will be a lucky drawing for a cash prize. Tickets will be on sale next week and may be purchased from any member of the group.

Legion To Meet Tomorrow Night

Daly City Unit No. 410, American Legion, will hold their usual social meeting tomorrow evening, rather than Friday, it was announced today.

Although the Legion will not hold a regular meeting on the fourth Thursday of this month, the whist party will be held as usual on the last Friday, December 27.

At the last regular meeting, Legionnaires enjoyed an interesting and informative talk by Water Superintendent Arthur J. Bodien on the general topic of city government.

HOLIDAY SPECIAL

"Robin Hood" At Curran Dec. 22

Youngsters and oldsters will enjoy a Yuletide season attraction Sunday afternoon, December 22, at the Curran theater when the Clare Tree Major Children's Theatre of New York returns here for a special holiday performance of "Robin Hood."

"Robin Hood" has been made an authentic production from the standpoint of music, dances, costumes and properties. Even the bows and arrows used by Robin Hood's men are of the kind used in England in that period. The folk music used for psalters was compiled by Dr. Sigmund Spaeth, noted composer and authority on ancient folk music.

There will be added holiday spirit at the "Robin Hood" performance when Sciots Pyramid No. 1 entertains some 400 children from the various orphanages in San Francisco. Charles H. Spengemann, chairman of arrangements, will have the Sciots' uniformed band and patrol in attendance. There will be a special program prior to the beginning of the performance.

Tickets are now on sale at Sherman Clay and company to the general public.

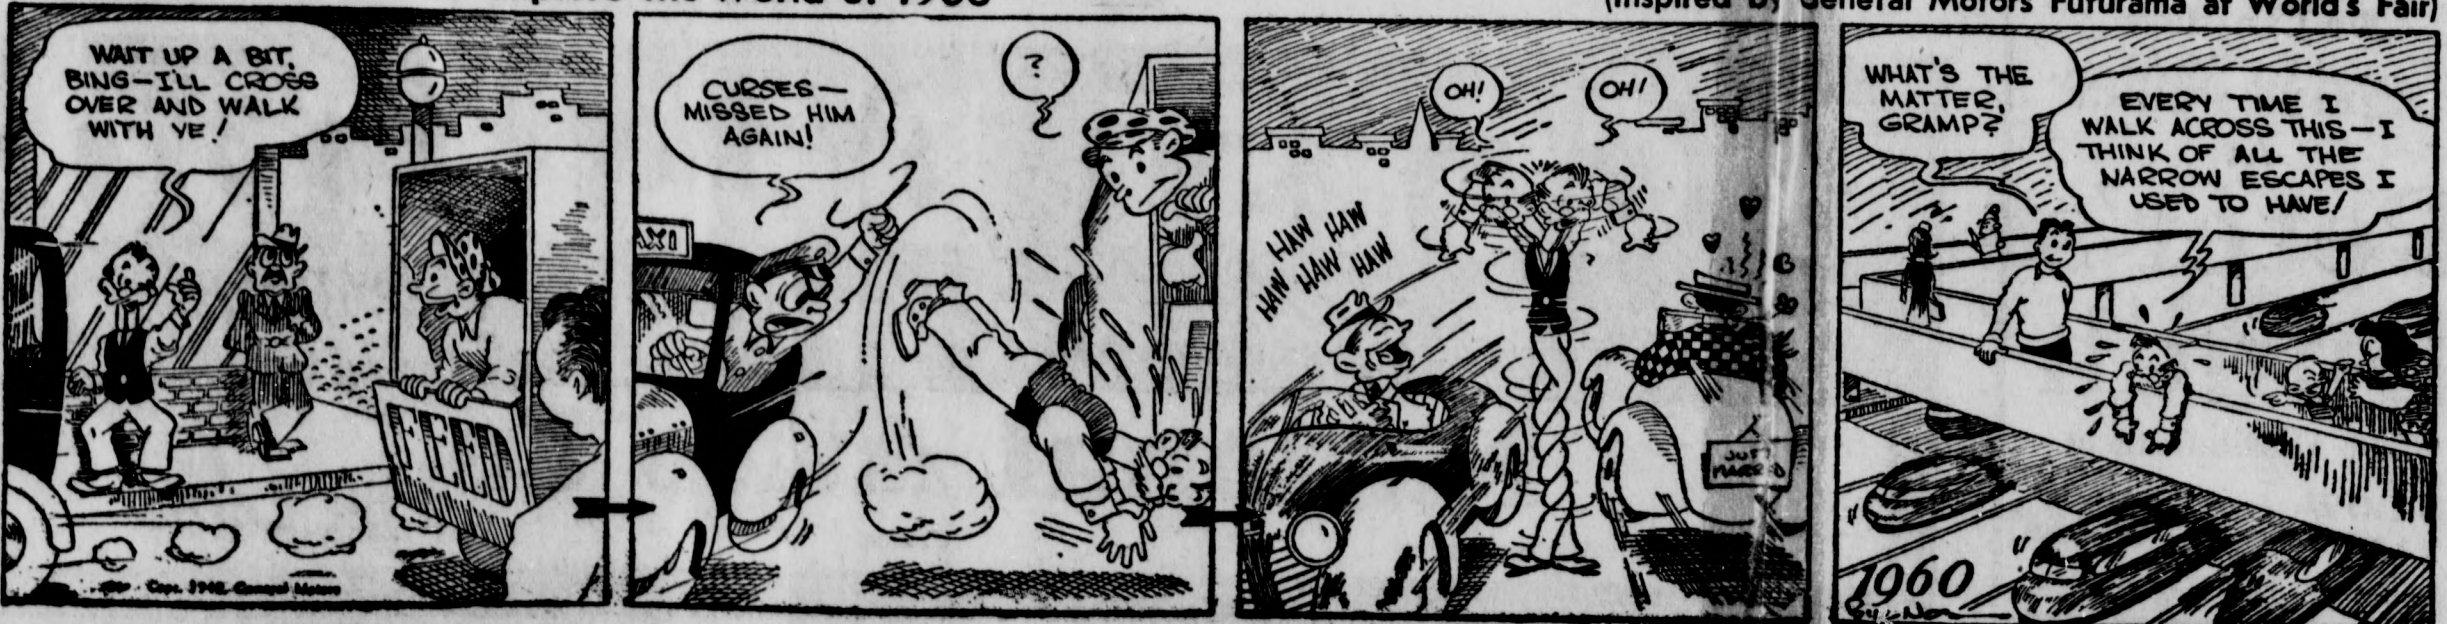

Crocker PTA Postpones Scheduled Address

Owing to the illness of many Crocker PTA members last week, Clive M. Saiz, Jefferson Union high school instructor, was asked to postpone his scheduled address last Tuesday until more members could be present.

The Sew and Sew club of Crocker PTA will not meet until after the holidays, when a luncheon has been planned at Lucca's the second Friday in January.

Versailles in Germany

On a lonely island in the Chiemsee in Germany stands one of the most amazing palaces in Europe—an almost identical reproduction of the chateau of Louis XIV at Versailles. The copy was built at tremendous expense by Ludwig II, the "mad king" of Bavaria, who cherished a great admiration for the French king and his famous country estate.

Cure That Slicc

Inspired by the increasing use of mirrors by college swimmers and oarsmen to improve their strokes, sporting goods dealers, Libbey-Owens-Ford Glass company reports, are boosting business by installing large plate glass mirrors so that customers for golf and tennis equipment may be entranced by "first-hand observation of their own form."

Travelers from 22 foreign countries, five United States possessions, the 48 states and the District of Columbia were among the 361,787 visitors to Mount Rainier National park last year. It was the second largest number of visitors in history.

Bacteria Families

Nearly 3,000 separate families of bacteria are at present kept alive in the American Museum of Natural History. These families, whose list of names begins with Absidia blakesleeana Lendner and ends with Zygo-saccharomyces versicolor Sacchet-ti, are kept for study and identification, and are shipped vast distances for this purpose.

Buick Has New One Piece Hood

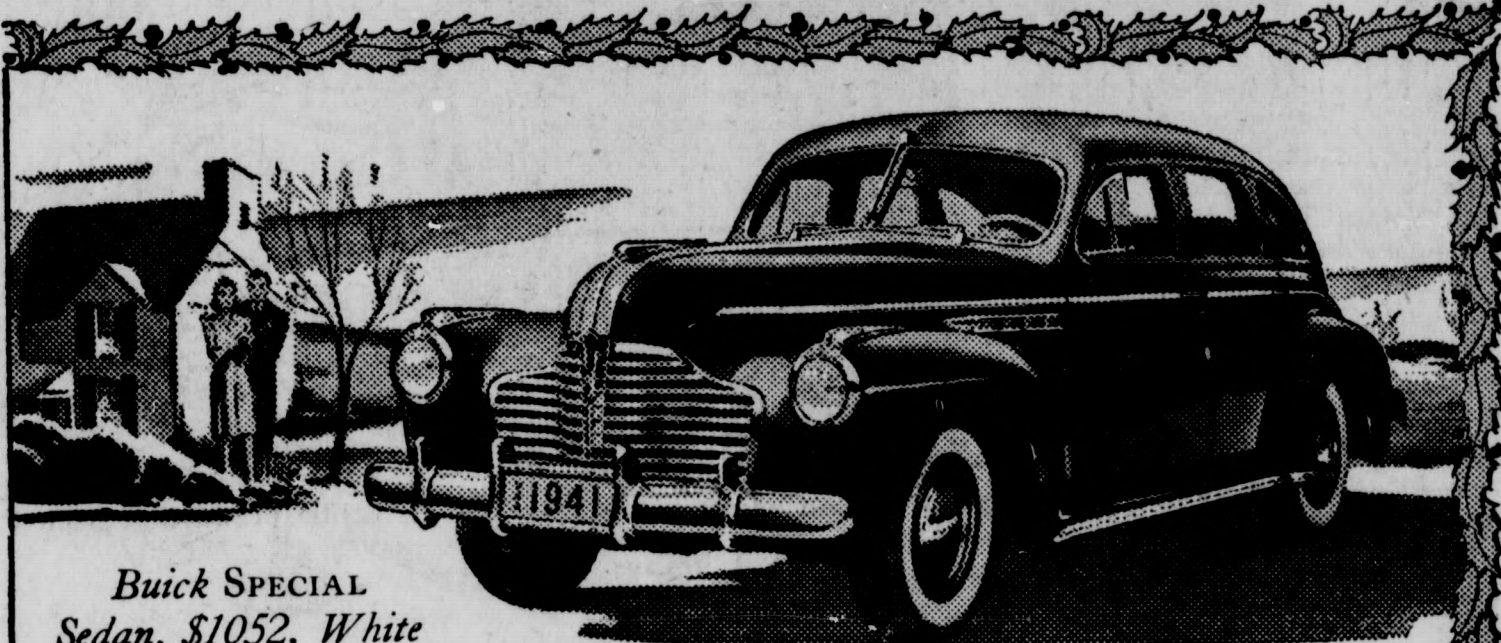

IMPORTANT feature of Buick's 1941 design is the one piece hood which opens from either side, hinging from the other. The hood also may be released from both sides and lifted off, making the engine compartment easily accessible for service. Hood line is lowered and the conventional hinge is eliminated, enhancing appearance. Flush-type latch handles are designed as a part of the chrome hood louvers.

Wrap up a **THRILL** in this Year's Holly Wreath!

SUPPOSE, come Christmas morn-ing, you took your wife to the front door, pointed out through the holly wreath—and there let her see a brand-new Buick standing at the curb!

A thrill? You bet—for the whole family! Out of the question? Not at all. Look:

We're not suggesting that you add the cost of a new Buick to your Christmas budget.

But you probably will be buying a new car soon. We propose that you buy it now, a few months ahead of time—and make this a holiday long to be remembered.

We're suggesting that there's no time like the present to get back of that big FIREBALL Eight—no time like right now to start piling up gas-

oline mileage economies that run as high as 10% or 15%.

There's no time like holiday time to dress up yourself (and family) in smart, fresh Buick aerodynamic styling, or to introduce your brood to the roomy comfort of this BuicCoil-cradled traveler.

You can do that—if you act promptly.

A trial ride to give you a hint as to what Buick can do—a little figuring on your present car's worth (at today's trade-in values, not next spring's)—and you'll have a FIREBALL to celebrate this Christmas!

How about it? It's just about the finest gift any man could give his family!

Jefferson School Kindergarten

Kindergarten boys and girls have started a new activity this week. They are making stuffed toys for Christmas. Some are making dogs; others, cats, elephants, or little boys and girls.

Second and Low Third

For their present unit, the second and low third grades at Jefferson have chosen the thing closest to their hearts at this time of year—A Toy Shop. The corner of the room has been transformed into a cheerful display shop, with the season's colors adding to its charm. On "sale" are toys brought to school by the children.

Besides the fun the children receive from seeing their toys on display, they are also getting an educational benefit from the unit.

Fourth Grade

The fourth grade of Jefferson is studying about Indian life. During the recent reading of an Indian story, a discussion arose about mesas. The class was interested in hearing about a mesa from Lyle Pense, who used to live on one in Fence Lake, New Mexico.

He said that on this particular mesa, there was only one way to get up by automobile; however, there was another steeper place where the people could get up or down on foot.

Fifth Grade

A group of the fifth grade children are preparing a Christmas program to be presented to the class this week. Doris Vallerger and Evelyn De Mattei are making eight colored lantern slides, illustrating the poem "The Visit From St. Nicholas." While Alvina Feno reads the poem to the class, the illustrations will be shown on the screen.

Sixth Grade

In their desire to show that Pioneer Life had much to do with the development, origin, and welfare of this country, the sixth graders have decided to have a "Pioneer Book Parade."

Each student will represent and dramatize his favorite historical character. He will emphasize his hero's contribution, aims, and effective work in America.

Seventh Grade

The members of the seventh grade are enjoying some of the new visual material that is now ready for use in the elementary grades. The children have selected the Union of South Africa as it correlates with their map work. Africa will no longer be a "dark Continent" to the members of this class. Each week the students will take an imaginary trip through a new division of Africa.

In studying locations by this visual method, the class is learning something about climate, industries, customs and manners of the peoples of the continent.

Good Ship Lollypop Comes Tomorrow

R. L. Crane, superintendent of Daly City public schools, has announced that the good ship, Lollypop, bringing a cargo of treasure and a group of distinguished passengers, will dock here tomorrow.

Santa Claus heads the passenger list. With him are Joey the Clown, favorite of all children, and the Lollypop's captain who has collected new tricks of magic from all parts of the world to show his friends here.

Sailing through the city streets with pennants flying, the Lollypop will drop anchor at various Daly City public schools and the annual Shell Christmas Show, which has become a holiday institution throughout the West, will be given on the ship's deck for the entertainment of local children.

The 1940 show is reputed to be the best ever given here. The show is travelling in a land-riding yacht painted in gay colors and a sight long to remember. At the conclusion of the magic demonstration, Santa Claus will mysteriously appear and distribute a unique gift and a lollypop to every boy and girl.

Parents as well as children are invited to attend the Shell Christmas Show. Everything is free.

Local performances of the show will be given at Woodrow Wilson, 9 a. m.; General Pershing, 9:30 a. m.; Crocker, 10 a. m.; Jefferson, 10:30 a. m. and Thornton, 11 a. m.

'Youthful' House Paint

Home owners faced with the problem of making old houses look younger may try coloring them with "youthful" paints. This can be done with almost any type of construction. Side walls of wood, brick, or stucco may be painted with paints specially prepared for each surface. Roofs may be covered with one of several different types of factory-colored shingles, and color accents may be provided in window blinds and front doors. A popular new exterior color combination consists of light salmon-colored walls, emerald-green roof, and a flame-colored front door.

Laurel Tree Legend

In Greek mythology, Apollo loved the nymph Daphne. When he descended to earth to woo her, she fled from him, and begged her mother, Gaea, the earth goddess, to save her. Through the intercession of Gaea, Zeus turned Daphne into a laurel tree. From that time Apollo made the laurel sacred and winners in the Pythian games, as well as great poets, were crowned with the leaves.

Cottonmouth Moccasin
The cottonmouth moccasin is a dangerously poisonous snake generally of dark chestnut-brown with some darker barring and with yellowish-white stripes on the head and throat. The common name of this snake refers to the white lining of the mouth, which it is said to display before biting. Cottonmouths may attain a length of four feet. They are not aggressive and most cases of snake bite in which they are involved are due to the reptiles being stepped on.

Holiday Shortcake topped with Foamy Sauce

Dorothy Greig

YES, it's frankly rich and yummy—one of that gay company of dark spicy cakes that are as much a part of the season's festivities as old Santa Claus himself.

The new note in this particular cake, however, is that it is split and filled with luscious mincemeat.

then topped with a cream foamy sauce . . . all of which makes it wonderful to look at as well as wonderful to eat. As a change, try filling with applesauce instead of mincemeat. This is delicious, too, and is, of course, less rich.

This is how to make the cake:

1 1/2 cups flour
2 teaspoons baking powder
1/2 teaspoon baking soda
1/2 teaspoon cinnamon
1/2 teaspoon nutmeg
1/2 teaspoon cloves
3 tablespoons shortening (1/2 butter)
3/4 cup sugar
1 egg
1 can condensed tomato soup

Sift flour, then measure, add the baking powder, soda and spices and sift again. Cream the shortening, add the sugar gradually and cream well. Then add the beaten egg. At the last add the flour mixture alternately with the tomato soup. Pour into a well-buttered 9 inch square baking pan. Bake in a moderate oven (350°F.) for 30-40 minutes.

Mincemeat for Filling:

Heat 1 1/2 cups mincemeat until the suet or fat has melted

To serve:—Cut spice cake into approximately nine pieces. Split each piece and fill center with one spoonful hot mincemeat. Replace the top half of cake and serve foamy sauce over the top.

Foamy Sauce:

1 egg, separated
3/4 cup powdered sugar
1/2 cup whipping cream
1 teaspoon lemon juice

Beat the egg white until stiff then beat in the sugar gradually. Add the egg yolk and continue beating. Fold in the whipped cream at the last and then add the lemon juice.

Kris Kringle's Choice

By BETTY BARCLAY

Don't let anyone fool you! Kris Kringle or Santa Claus enjoys Christmas dinner after his strenuous night. Here are some recipes for dishes that your particular Santa will relish this year:

Hawaiian Yuletide Cocktail

2 cups cranberries
2 cups water
3 cloves
1/2 cup sugar
1 cup canned unsweetened Hawaiian pineapple juice
1 tablespoon lemon juice
Crushed ice
Maraschino cherries

Cook the cranberries in the water with the cloves until berries burst, or about five minutes. Strain through a sieve lined with wet cheesecloth. Add the sugar and stir over low heat until the sugar is dissolved. Cool, and add the pineapple juice and lemon juice. Pour over crushed ice in glasses. Garnish with cherries cut in circles. Yield: 8 servings.

Lima Salad Manhattan

1 cup cooked, dried Limas
1 cup sliced cabbage
1/2 cup grated American cheese
Boiled or mayonnaise dressing
1 cup pickles, chopped
Mix Limas, cabbage, and pickle with dressing. Serve on crisp lettuce leaves and sprinkle with cheese.

Mincemeat Rennet-Custard

1 rennet tablet
1 tablespoon cold water
1 pint milk, ordinary or homogenized
2 tablespoons sugar
1/2 cup mincemeat

Set out 4 or 5 dessert glasses. Dissolve rennet tablet by crushing in cold water in a cup. Add sugar and mincemeat to the milk and warm slowly, stirring constantly. Test a drop on inside of wrist frequently. When COMFORTABLY WARM, (120°F.) not hot, remove at once from stove. Add dissolved rennet tablet and stir quickly for a few seconds only. Pour at once, while still liquid, into individual dessert glasses. Do not move until firm—about 10 minutes. Chill in refrigerator.

Magie Christmas Candies

2 squares unsweetened chocolate
1 1/2 cups (1 can) sweetened condensed milk

Chopped nut meats or coconut
Melt chocolate in top of double boiler. Add sweetened condensed milk, stir over boiling water 5 minutes or

until mixture thickens. Cool. Drop small spoonfuls of chocolate mixture into chopped nuts or shredded coconut and work into surface. Form into balls. Chill. May be dropped by large spoonfuls into nuts or coconut and formed into rolls. Chill rolls in refrigerator several hours, or longer. Cut in slices.

Holiday Cheer Punch

Here's a Christmas punch that everybody can enjoy. It's made with decaffeinated coffee, so you and your guests can linger in the holiday spirit over second and third glasses without worrying over sleeping problems.

4 cups freshly made, chilled decaffeinated coffee
1 1/2 pints ice cream
Grated nutmeg
Pour the decaffeinated coffee over the ice cream in a punch bowl or a big mixing bowl, and blend lightly with an egg beater until the ice cream is partly melted. Sprinkle with grated nutmeg. Vanilla, coffee, or chocolate ice cream combines well with the coffee flavor.

To make decaffeinated coffee by the percolator method, use 1 heaping tablespoon decaffeinated coffee, regular grind, for each (1/2 pint) of cold water. Pour cold water into pot. Set percolator basket in pot and put coffee in it. Cover. Let percolate slowly and gently 15 to 20 minutes. (For a 4-cup percolator, use 1/2 cup coffee.)

All-American Cheese Tray

Cheese and crackers for dessert is a charming continental custom that American hostesses will be able to copy this winter, in spite of war-time blockades. Such famous dessert cheeses as Camembert, tawny Liederkranz, Brie, Swiss and Limburger will be found at neighborhood groceries with "Made in America" labels and at economy prices. Liederkranz, the high-flavored dessert cheese, is the only American-invented cheese to achieve a continental reputation.

Light hearted games are the recipe for party success these troubled days. In two minutes you can show the crowd how to play Circle Gammon, the new development of backgammon that two, three or four can play. Hi-Lo is another party favorite that can be mastered in a jiffy and is adaptable to any number of guests. If you are entertaining arm chair strategists, show them the new airplane game, Dog Fight.

Good Year!—

San Mateo county's \$3,000,000 flower growing industry has had a profitable year, and the Colma vegetable growers and stock raisers in the county have fared well, County Agricultural Commissioner Max J. Leonard revealed today.

Satisfactory crops and good prices gave the floriculturists good average returns, with the county's famous chrysanthemums yielding the growers one of the best seasons in years, the survey showed.

In the Colma area, where more than 150 varieties of vegetable crops are grown, Leonard said that none of the farmers profited to any unusual degree, but that indications were for "more or less of an average year."

'Self-Made' Farmer

Charles McCartney, a farmer near Sigourney, Iowa, uses only articles of his own making. He built his own house, furniture, barn and plow. He and his family wear only goat-skin clothing, which he makes himself.

Blind Workman

Although practically blind, Irving I. Peck, Stratford, N. H., walks more than a mile every day to his farm woodlot and gets sufficient wood out to "pay my taxes and heat my home the year 'round."

Milwaukee Screen Tests

Milwaukee motorists arrested on drunken driving charges get "screen tests." Defendants are required to walk a line four inches wide and 25 feet long painted on the floor of the sheriff's office, while a motion picture records the action.

A SHORT STORY --

Mrs. Smith was in a predicament. Here, on the shortest notice, relatives were coming for the holidays and the chesterfield set looked ready to fall apart. But after ten years of good hard wear, what could one expect?

Well, the budget was rather low, so a new set was out of the question. Then Mrs. Smith phoned us. To make a short story shorter, the relatives were delighted with the nice new chesterfield set displayed in Mrs. Smith's living room. And she slyly kept the secret to herself that it was her old set, reupholstered for only \$35.00.

Location of Thermostats
Five feet above the floor is considered a generally satisfactory height for the location of thermostats. They should be placed in locations protected from drafts and not in contact with a large volume of air. The rather bulky thermostat of yesteryear has been beautified, and their location today on the living room wall does not mar the decorative scheme.

GRAMP AND BING MORE THAN FUNNIES

For several weeks Gramp and Bing have been exploring the World of 1960 in a cartoon series appearing in the Daly City Record and they undoubtedly have entertained many with their humorous and somewhat fantastic experiences. But behind the whimsical antics of Gramp and the surprisingly more serious attitude of young Bing lay more than mere entertainment. Underlying the entire series was a sound philosophy that cannot be given too much attention.

Inspired by the forward-looking philosophy of the General Motors Futurama and other exhibits at the World's Fairs, the Gramp and Bing cartoons have demonstrated that the world isn't finished, that there are many and diverse new frontiers to explore, that youth as exemplified in Bing will find just as many opportunities to contribute to better things as had those of Gramp's generation.

The Gramp and Bing series is ending this week but it is to be hoped that it provided more than passing entertainment, that perhaps it cleared away some of the foggy defeatism so rampant even with those who have reached maturity and that it also might have set some of our youth to thinking and to doing.

DALY CITY DIGGINS'

"It's All In Fun"

By BOB KEELY

"Bring me my electric heating pad, my red flannels, and turn the furnace on full blast." So spoke the Hilltopper last week as the longest cold spell since 1927 descended upon Daly City and vicinity.

A few incidents, brought on by Santa's untimely sneeze which blew all that cold air our way, follow:

At Beeson Cleaners, people came to pick up their suits and dresses and stuff, but once inside the door, lingered for hours. The steam pressers made this the warmest place in town.

The Central Creamery closed its doors during business hours for the first time in its history. People like to keep warm while eating ice cream, no doubt.

The Daly City Nut Shop was a little late in opening the other morning. It seems that both sets of keys were left inside the locked establishment and a locksmith's services were required before business could get under way.

Mrs. Adolph Gehringer, of beauty shop fame, is happy indeed with her first granddaughter, arriving the other day to Mr. and Mrs. Gene Donham.

We wonder if Johnny Dell continued his 5 a. m. daily dips in the ocean right through the cold spell? However, Joe Hoffman, butcher at Westlake market, informs us that he enjoys a cold shower every morning, rain or shine.

Rumors have it that a new bowling alley will soon open in Daly City, a four-alley establishment.

Speaking of bowling, Cliff Curry now does double duty. Cliff bowls on his own team in the Peninsula league, and also with the local Eagles' A team.

U. S. Foreign Trade

America's exports of finished goods have increased fourfold since 1883, while exports of crude materials have been at 71 per cent, a compilation by the New York Journal of Commerce shows. At the same time imports of finished goods dropped 64 per cent, and imports of crude materials increased 4½ times.

Tallulah Bankhead To Play At Curran

Tallulah Bankhead, glamorous actress daughter of the late Speaker of the House, William Brockman Bankhead, takes possession of the stage of the Curran theatre, San Francisco, for two weeks beginning Monday, December 23, in the exciting Lillian Hellman play, "The Little Foxes," which ran for one year at the National theatre, New York, before embarking on its present two-season transcontinental tour. Matinees will be presented on Thursday and Saturday, and a gala New Year's Eve performance.

Critics and audiences throughout the nation have unanimously agreed that in the role of the indomitable Regina Giddens, central character of Miss Hellman's drama, Miss Bankhead gives the outstanding performance of her remarkable career, and one which does not follow the conventional pattern of theatrical advancement. As "Life" magazine summed it up:

"An astrologer told Tallulah Bankhead in 1923 to go to England. And since this glamorous, golden-haired star had acted five years on the New York stage with only indifferent success, she packed up her bags and went. In England she became overnight a phenomenal success. Her pathetic waitress in 'They Knew What They Wanted' put all London at her feet.

"But eight years ago Tallulah Bankhead, tired of England, packed her bags and came home. Two years in Hollywood were unsatisfactory. A half-dozen plays in New York were more or less flops. Somehow it seemed impossible to find adequate parts for this strange electric woman with the languid eyes, the panther's step and the siren's husky voice.

"But now, in Lillian Hellman's 'The Little Foxes,' she fills for the first time, a role carved big and fierce enough for her talent. Against the cold, steely force of the year's strongest play, the glitter of her acting lights up a whole era of U. S. history."

Frank Conroy, veteran stage and screen actor, heads a distinguished supporting cast which includes Charles Dingle, Carl Benton Reid, Lee Baker, Marie Carroll, Eugenia Rawls, Dan Duryea, Abbie Mitchell and John Marriott.

New Laugh Hit To Open Tomorrow At Daly City

Audiences will have their first opportunity to see "No Time For Comedy," the laugh hit of the new film season, when the James Stewart-Rosalind Russell co-starring picture opens an engagement tomorrow at the Daly City theatre.

Based on S. N. Behrman's Broadway hit of last year, "No Time For Comedy" tells the highly hilarious story of what happens to a playwright famous for his comedies when he falls under the influence of a blonde who specializes in inspiring artists to give the world a message. Among the things that happen are a rousing fight between the playwright's wife and the blonde, a near romance between the playwright's discarded wife and the blonde's discarded husband, and a flop that turns out to be a big success.

James Stewart is an engaging scamp as the errant writer, Rosalind Russell is his knowing wife, Genevieve Tobin, the blonde menace, and Charlie Ruggles her millionaire husband.

Companion feature will be "Hell's Angels."

Firemen Extinguish Blaze At Radio Shop

A small blaze at Charlie's Radio Shop, 7330 Mission street, was extinguished at 11 a. m. Saturday by the quick work of the Daly City Fire department.

Using a chemical line, Companies 1, 3 and 6 made short work of the blaze, which had started from an overheated flu and had already begun to mushroom through the attic before firemen arrived.

Military Buttons

One of the greatest collections of military buttons is owned by Robert S. Duncan of Toronto, Canada. He has 2,000 army buttons which have come from every section of the British empire and from 17 other countries. They are divided into 31 groups mounted on corrugated boards covered with paper.

Disney Correct

Walt Disney hereafter will be correct in depicting white lyrebirds. One just discovered in the Combienbar district of East Gippsland, Australia, is declared by experts to be the first perfect albino lyrebird ever seen.

"HE'S MINE" . . . "OH, NO, HE'S MINE"—It's Genevieve Tobin vs. Rosalind Russell with Jimmy Stewart very much in the middle . . . and it's "No Time For Comedy," opening tomorrow at the Daly City theatre.

Nearly Sixty Attend Troop 2 Scout Court

Nearly sixty persons were present at a Girl Scout Court of Awards given by Troop No. 2 Friday evening at Legion hall. Co-hostesses of the affair were Beverly Clement and Shirley Davis.

Tenderfoot awards were made to Joyce Holbrook and Phyllis Lane; second class badges to Lorette McNeerney, Harriet Voelker, Donna Davis, and Marie Horkey; merit badges to Marilyn Mosman, Barbara Blecher, Yvonne Hulme, Connie Kaczmark, Ruth Thompson, Beverly Clement and Shirley Davis; and attendance awards, a gold star to Beverly Clement and a silver star to Shirley Davis.

The presentation of plays by each patrol and the serving of refreshments completed the evening.

The troop will not meet again until the first Wednesday after school re-opens, according to Mrs. Lyla Eldrup, leader.

Nimble fingers of the first graders are flying this week to finish up the toys and presents that they are making for their little brothers and sisters. Everything from boat houses to cork ducks are being turned out by the tots.

FIFTH GRADE

Main point of interest just now to the pupils of the fifth grade is their "Christmas Crib." This crib is a miniature representation of the stable of Bethlehem. The Christ Child, His Mother and Foster Father, as well as numerous angels are in the scene.

CHRISTMAS PARTY

Friday will be a day of gay festivity for the students of the first, fourth, fifth and eighth grades as they will have a party. Everything for a successful event, including a visit from Santa Claus who will distribute many gifts, will be featured.

DANCING FEET

Miss Rose Group Wins Applause

Four-year-old Carol Benedetti as "Little Miss Sally Rand" in a bubble dance won the laughter and applause of Excelsior Improvement club members, Friday evening, when Miss Rose's dance kiddies entertained at a Christmas party in San Francisco.

The entire program was a great success, with the Daly City and Colma youngsters taking top-light honors. Other highlights of the program were a ballet and a hula dance by Carol Benedetti and Anna Roudier; tango by Eleanor Benedetti and Anna Marie Domecus; waltz routine by Violet Sanderson; military toe-tap by Dorothy Langensand; acrobatic novelties by June Brandt; and a typical Mexican dance by Mary Lou Montano. Accompanist was Miss Florence Druva.

Thursday evening, five of Miss Rose's students starred at a "Gay Nineties Frolic" at Trinity Center. Appearing in dances in keeping with the evening's theme were Carol and Eleanor Benedetti, Dorothy Langensand, Anna Marie Domecus and Mary Lou Montano. Miss Rose's dancers will entertain this evening at the Christmas party given by El Carmelo Parlor, No. 181, Native Daughters of the Golden West. Tomorrow they will entertain the Southern Pacific club at a Native Sons' party in San Francisco.

SENIORS

The seniors had to call off their semi-annual trip to San Mateo junior college, Wednesday, due to the "flu bug." The seniors were disappointed when the announcement was made that it would have to be cancelled. This trip is looked forward to from the time a student enters his freshman year. The day is set aside for them to visit the junior college plant and converse with teachers and students.

BLOCK J

New members of the Block J society will long remember Thursday, as they officially became members of the society. In an outstanding initiation the neophytes were forced to come to school with their clothes turned wrong side out. As the day wore on it wasn't a strange sight to see some of our mighty heroes making proposals to the damsels of Jefferson. Some of the boys were even forced to serenade their favorite teacher.

John Razzari, president of the society, and in charge of the initiation, reported that it was a huge success and that the society was quite pleased with the attitude of their new members. He said, "we sure have a bunch of fine sports coming into our club, and you can expect to see them go places in the future."

SENIOR HI-JINX

The senior class of January 1941 held their senior jinx, and baby day; Friday. The assembly was filled almost to capacity as the students were anxious to view the seniors as they dropped their dignity long enough to revert to their baby days.

Rag dolls, suckers, roller skates and all were combined to make the Senior Jinx one of the best ever presented to the assembly. The scene was laid in a school room. The "Old Professor," George Wallace, called the roll and the following students presented themselves, and gave a poem about the teacher he was imitating: Principal James Ferguson, Ralph Matteucci; Mrs. Clive Saiz, Don Hertz; Mrs. Effie Anderson, Maren Nelson; Miss Amy Behrens, Virginia Rivas; Mr. Truman Bentley, Sherman Sabel; Coach Albert Biggs, Bill Rigler; Mr. Robert Brand, Howard Vierra; Mrs. Gilda Brown, Muriel Hollingsworth; Mr. Oscar Busch, Tony Aveggio; Mr. Jack Chapman, Ray Fellman; Miss Ethel Fillmore, Betty Morris; Mr. Claude Hackley, Eugene Zanatta; Mr. Sigfred Hansen, Frank Piltz; Miss Elizabeth Jones, Evelyn Dallesio; Mr. Reuben Krogh, Jack Childers; and Mr. Dante Lembi, Louis Nava.

Other acts on the program were: "Black Spots," Roy Johnston, and Don Hertz; saxophone solo, Adrienne Travers; "Brenda and Cobina," Muriel Hollingsworth, and Virginia Fellman.

C. S. F.

At last Wednesday's meeting six members of the group were chosen to usher at tonight's play. The following students will serve: Lillybell Fletcher, Betty Inks, Lloyd Rentsch, Dorothy Freund, Pat O'Brien and Maren Nelson.

The roll call chairman reported that approximately half of the members were absent because of the flu. Since so many students were absent, the meeting was adjourned early.

Music

To night is the night, and all of the chorus members are excited.

You wonder why? Well, they are having a big part in this year's Christmas pageant, and they have worked extra hard to make their contribution add to the success of the show.

Jean Bompke will sing two solos, "Behold a Virgin Shall Con-

Santa Claus is coming to town! Your campus fashion reporter turns her attention to Christmas gift suggestions in her column. Today, gifts for brother, sister and friends take the limelight.

Ah! There is the last "Don't Open 'til Christmas" sticker pasted on Mom's presents, and Dad's is already under the Christmas tree, so now we can settle down and pick up where we left off last week.

If Sis is a ski enthusiast and hopes to go to Lake Tahoe over the Christmas holidays, a ski suit is just the thing. They come in bright red, with hood and mittens to match.

If the snow is too cold for her and she prefers the nice warm climates where she can get out and enjoy herself, jersey slacks will fill the bill. They're really darlings in vivid red and white. The pants are made of red silk jersey and very full. A white angora sweater and a full-length white lamb's wool sport coat with matching red jersey lining can be added—if you're really affluent this year.

For the extra special girlfriend any of the following gifts are unique. Compacts are quite a feature this Christmas. It seems to be "the bigger, the better." These compacts come in natural leather, large enough so that you can see your whole face. Another darling is the compact in the shape of an artist's palette, with name engraved on the top. Slipperettes are welcomed on these cold snippy mornings. They are knitted "scotties" to wear to bed or around the

ceive" and "He Shall Lead His Flock."

Jean Bompke, soprano; Clara Dayton, alto; Gerald Robertson, tenor and Oscar Busch, bass, will combine their voices in a quartet and sing "O Little Town of Bethlehem."

The members of the chorus will participate in six songs, which will be sung throughout the pageant.

For their last number the chorus will sing the "Hallelujah Chorus," from Handel's "Messiah."

The chorus will be accompanied by a small instrumental group composed of Angelo Ditty and Lloyd Rentsch, clarinets; Tom Beeson and Gene Snow, trumpets; Harvey Melicker, French horn; and Ernest Anderson, trombone.

Piano accompanists will be Norman Wiseman, Gloria Tooth and Ruth Basso.

Sports

Friday the 13th proved to be an unlucky day for the Jefferson's "leather ballers" as they lost both their games in a rough and tumble bout.

The varsity was thrown for a loss to the tune of 35-15, in favor of the Sacred Heart team.

The boys lined up as follows: F., Briseno; F., J. Razzari; C., Dyer; G., Poddig; G., Cacciapiaglia.

John Razzari, forward, came in as high man with three field goals and three free goals chalked up to his name.

Other players were Sharp, Sparks, Capps, Faulk, and McCrystal.

The 130 team also lost to their opponent with a score of 4-18.

The line-up included: F., Wiseman; F., Sieler; C., Domecus; G., Gallan; G., Davis.

Other players were McHugh, McKinnon, and Ferrando.

GPAL

Mary Falbo, Betty Inks and Helen Nodquist were the three girls who came out of the arch-

house. These little foot-warmers come in dainty pastel shades to match her new house coat. If your friend likes to lie in bed a "teddy bear" is just the thing. These "teddy bears" are luxuriously soft bed jackets, warm as fur, with wide sleeves. Fingernail sets, perfumes, bath salts, and any of those fetching clear crystal perfume bottles make dandy gifts.

Oh! Dear! Now comes the problem. Every year we wonder why boys can't like perfume, or why we couldn't give them a snappy fingernail set. If we could buy them something we would like it wouldn't be so bad. Don't get a bit worried this year. In all of my snooping around I ran across just the thing for him, whether it be big brother or the boyfriend.

Here are just a few of the many handsome gifts for men that are being featured this year! Pigskin gloves, with the famous "stitch master" around the fingers. They are so luxuriously soft and pliable that they are perfect for driving or sportwear.

A handy kit is something any smart man would appreciate. It comes in tan calf leather with file, punch, screw driver, hammer, and a knife.

A gift that is always first-rate on any man's list is the ever popular military set. They come in pigskin and have a speedy zipper closing.

ery season with their G. P. A. L. points.

It was required that each girl shoot in at least four matches.

SOFTBALL

Last week in an awards assembly the following girls received their numerals for being on the winning softball team: captain, S. Jones; L. Ciarlo, B. Foreman, B. Morris, V. Rivas, B. Pastrikas, K. Larson, L. Lekoff, M. Roberts, and L. Parodi.

Other awards were given to the following girls: E. Agresti, Z. Blandin, S. Campagno, G. Hall, R. Larson who received their G. P. A. L. Block; Barbara Foreman and Shirley Jones who received their Block J.

Student Government

Main order of business at the regular executive board meeting, yesterday, was the South San Francisco-Jefferson victory plaque. The plaque had been delivered last week, but it was broken on the way out and had to be returned. The plaque will now be presented after the Christmas vacation.

President Bill Rigler asked the help of the executive board on the election petitions. "It is the duty of every member of the board to see that there are at least three petitions handed in for every office," concluded Rigler.

There being no new business, the meeting was adjourned at 8:04 a. m.

Six Weeks Song

When the carnival comes to Nice on the French Riviera, there is a charming custom of launching a new song whose melody is played daily by every orchestra and street band until everyone is whistling or humming it. When King Carnival dies, the song dies too, and the following season another takes its place.

Neptune's Racecourse

Omey Island, a short distance off the west coast of Ireland, is not an island at all at low tide. Then it is connected with the mainland by a bed of sand packed so hard and smooth that horse and cycle races are frequently held where the sea has rolled only a few hours before.

Mahogany Native to U. S.

Mahogany is native to the United States. It is found though only in small quantities in southern Florida on the mainland and on the larger of the keys. It is the same species of mahogany that grows in the West Indies, where it is known principally as Santo Domingo or Cuban mahogany. An avenue in Miami is lined for many blocks with mahogany trees. The average person might easily mistake them for ash trees due to the similarity of the leaves. "Mountain mahogany" is a large shrub or small tree found in the western states. It is not a mahogany but a member of the rose family. The wood is very close grained and of a rich red color. The trees are small and the wood has not the stability of mahogany.

Great has been the excitement in the local WPA offices this week as approximately 50 little girls all tried to keep a secret at the same time.

Now it's all over and the secret can be told. Mrs. Campbell, properly surprised, was feted in grand style last night and everyone "had a wonderful time."
